

# Box Score

JUL 13 1974

Nineteen people have been convicted or pleaded guilty to offences related to Watergate or other scandals.

These include the seven original defendants involved in the break-in at the Democratic party's national headquarters on June 17, 1972.

John Ehrlichman yesterday became the latest and highest-ranking former Nixon aide to be found guilty.

Others who have either pleaded guilty, been convicted or sent to prison are:

## The Watergate Break-in
