

Nixon, Rebozo on A Cruise

Washington

President Nixon and his Florida friend C. G. (Bebe) Rebozo went for a twilight cruise yesterday aboard the presidential yacht, a spokesman said.

Unlike most of Mr. Nixon's excursion on the yacht, Sequoia, yesterday's cruise was not disclosed until newsmen asked about it.

A spokesman said Rebozo, a Key Biscayne, Fla., banker and Mr. Nixon's next door neighbor there, arrived in Washington earlier yesterday. No other members of the First Family or the presidential staff were along on the cruise.
