Do you know:

The honorable Richard M. Nixon is the President of our nation who DID end our active participation in the war in Vietnam; who succeeded in returning 550,000 AMERICAN TROOPS and POW's to their homeland; who led the United States to victories in the SPACE PROGRAM; who established

detente with RUSSIA and CHINA; who ended rioting and burning by students in our colleges and subversive elements in our cities.

It is your civil right to be protected by your president from subversives who may sell vital information to our enemies. President Nixon is fulfilling that obligation.

Fellow American

Thanks for your support of this great President

The response to this ad has been wonderful. 97% of the replies are in agreement with our statements. Many call President Nixon our greatest President and would vote for him again. Grass root citizens are calling for an end to the impeachment process and are fed up with Watergate.

The ad has run in leading newspapers in Philadelphia, Detroit, Baltimore, Washington, Chicago, Cleveland, Cincinnati, St. Louis, Boston, Atlanta, Pittsburgh, Richmond, New Jersey and many other cities. The reaction from the real Americans has been uniform. They are with us all the way.

WAS IMPEACHMENT MENTIONED:

AFTER PEARL HARBOR—THE RESULT TO PRESIDENT ROOSEVELT'S SUBORDINATES CARELESSNESS?

AFTER THE BAY OF PIGS INVASION—PRESIDENT KENNEDY'S FIASCO?

AFTER THE TONKIN GULF INCIDENT—The mistake that caused President Johnson to escalate the war in North Vietnam? Do you believe as we do that Watergate is a political issue, blown up completely out of proportion?

DON'T QUIT, MR. NIXON!

Consider this my vote of confidence in your ability, Mr. President, to lead America to Peace and Security. I am joining the millions of people in America who support you.
