

## Rabbi Says President

Is Greatest of Century

NYTimes AUG 7 1974

WASHINGTON, Aug. 6

(UPI) — Rabbi Baruch M. Korff, organizer of the National Citizens' Committee for Fairness to the Presidency, predicted today that President Nixon would be remembered in history as "the greatest President of this century."

"My heart goes out to him and his family and my personal commitment to him and his family will continue undaunted," Rabbi Korff said in a statement after meeting with the President for 35 minutes.

He said he and his committee would stand by Mr. Nixon on any decision he may take in connection with his threatened impeachment and demands that he resign.

The rabbi was Mr. Nixon's only announced visitor after morning Cabinet meeting.
