## **Rabbi to Raise Money for Nixon**

Reuter

JERUSALEM, Sept. 22—  
Rabbi Baruch Korff, who  
led a campaign to keep  
President Nixon in office,  
announced here today the  
formation of an interna-  
tional "Nixon Justice  
Fund" to raise money to  
pay Mr. Nixon's legal ex-  
penses.

The rabbi, who headed  
the National Citizens Com-  
mittee for Fairness to the  
Presidency, said Mr. Nixon  
had already spent \$40,000  
on auditing his income tax  
documents and expected  
to spend another \$50,000  
on further legal expenses.

He said that he had not  
consulted the former Pres-  
ident on the establishment  
of the fund although he ex-  
pected to get Mr. Nixon's  
approval. The rabbi is in  
Israel on a private visit.
