Martha Mitchell was granted \$1000 a week in temporary alimony yesterday pending trial of her suit for divorce from former Attorney General John N. Mitchell.

In granting the award, Manhattan Supreme Court Justice Manuel Gomez noted that Mitchell had given her about \$51,000 in the past year and that the payments should continue at that rate. Gomez said Mitchell grosses \$5,281 weekly and has a net taxable weekly income of \$2,536 after expenses.
