

Nixon Dinner for the Reagans

Pacific Palisades

Former Governor Ronald Reagan said yesterday he and his wife, Nancy, had dinner with former President Nixon at the Nixon residence on Tuesday. 26 JAN

Reagan has been staying at his home here since his second gubernatorial term expired. Tuesday's evening with the Nixons was the first

time Reagan had seen Mr. Nixon since his resignation from the presidency in August.

Reagan said Mr. Nixon was dressed in a dark suit and appeared to be well. He said conversation centered on general topics. They had roast beef for dinner, he said.

Last week, the Nixons en-

 tertained Senator Barry Goldwater (Rep-Ariz.) on Thursday and Secretary of State Henry Kissinger on Friday at their oceanside estate at San Clemente.

The recent private dinners are the first Mr. Nixon has had with any of his former political associates since his return to California as a private citizen.
