Report of a Nixon 'Fantasy'

New York

Time magazine reported yesterday that former President Nixon, in talks with intimates, "has fantasized that he would not mind being U.S. ambassador to China some day."

Senator Barry Goldwater (Rep-Ariz.) said last week that Mr. Nixon had told him he would like to get back into politics, not as a candidate, but as a spokesman for the Republican party.

The suggestion was sloughed off by most Republican leaders.
