Students Reinstate

Invitation to Ziegler

MIAMI, Feb. 7 AP)—Student government leaders at Florida International University say Ronald Ziegler is welcome to speak on campus after all, but they want to invite liberal Democrat Allard Lowenstein, too.

The student ^{to FES} government voted Thursday to reinstate the offer of a \$2,150 fee to Ziegler, former press secretary to President Nixon, but they also invited Lowenstein, former New York congressman and the leader of a movement in 1967 to oust Lyndon Johnson from the presidency.
