Nixon soul-searching urged

CHICAGO — Former Watergate prosecutor Leon Jaworski said yesterday that Richard Nixon should do some soul-searching and tell the American people the truth about the Watergate scandal.

"I would hope that the former President Nixon would do the same soul-searching that every individual should make when he's had experiences as tragic as were his," Jaworski said. "He ought to say what's in his heart; he ought to say, above all things, the truth."
