ith Saigon

By Jack Anderson and Les Whitten

President Ford has been trying delicately to extricate his foot from his mouth ever since the Saigon surrender.

The sudden collapse of South Vietnam caught him with some make some quick revisions, to wit:

The President had persistcredibility with its other allies pushing for more military aid. more military aid wasn't rushed to Saigon. The new line, according to our White House sources, is that U.S. credibility remains high and that our allies can depend upon U.S. commitments.

The President had preached that a Communist victory in Vietnam would cause its Asian neighbors to fall like dominoes. that he doesn't believe the dom- than did Saigon. ino theory after all.

Vietnam's military reverses be-

President is trying to correct vine. the impression that the United The States was responsible for the fall of South Vietnam.

•Mr. Ford had called for an emergency appropriation of \$700 million in military aid to save Saigon. Simultaneously, the Joint Chiefs of Staff urged bygone rhetoric stuck in his that billions of dollars' worth of throat. He has been obliged to military equipment should be military equipment should be hauled out of South Vietnam before it fell into Communist hands. It would have made the ently sounded the warning that President look silly, however, to the United States would lose remove weapons while he was

Therefore, American Ambassador Graham Martin blocked dulity. U.S. forces from salvaging an enormous arsenal, which the Communists have inherited. namese now possess far more U.S. equipment than they ever received from their Russian and Chinese allies. This contradicts the administration line that Ha-Now he is spreading the word noi got more military assistance

Red Faces--Duane Freer, a •Mr. Ford had implied that Federal Aviation Administra-Congress was to blame for South tion bigwig, recently presented a flight safety award to the Ducause of its refusal to vote more Bois, Pa., flight station. Then, aid. This line was eagerly ceremoniously, he led an FAA adopted by Saigon leaders look-delegation to a waiting governing for a scapegoat for their own ment plane, took the controls mishandling of the war. Now the and taxied the plane into a ra-

plane wobbled down the runway like a drunken duck and plunged into a ravine.

crowd rushed to the The ruined plane and began to dig out the distinguished-visitors with crowbars. Some of the dignitaries were seriously injured, including Freer

The National Transportation Safety Board is investigating the accident. Their confidential, preliminary findings have left the FAA gasping with incre-

The board has found that Freer, although rated to fly light aircraft, had no rating to The irony is that the North Viet- fly a DC-3. Thus he violated FAA regulations and the law.

It also appears that Freer was only partially belted into his seat. Worse, some of the FAA regulators, who require all commercial passengers to fasten Colson has interrupted his writseat belts, didn't obey their own rules. This apparently caused many of the injuries.

Colson's Manuscript-Charles W. Colson, former White House tough guy who turned to Christianity, has completed 100,000 words of his book about his book Watergate.

He wrote much of the first draft by hand in prison. But now that he has been released, he dictates long passages to his wife, Patty.

Those who have seen his closely guarded manuscript say its message is that "a spiritual revival could well grow from Watergate." Colson would tell us only that the book is about "what happens to a man when he accepts Christ in his life. His conversion, he said, helped

Colson has interrupted his writing to testify in secret before the Rockefeller Commission, which is investigating the Central Intelligence Agency. Sources close to the commission say Colson reiterated views he raised deeply implicated in domestic
