Q. Before he resigned his office last August, President Nixon said he would pay his 1969 taxes of \$148,000. Has he done so?—D.L., San Clemente, Cal.

A. As of this writing former President Richard Nixon has not paid his 1969 federal income tax bill of \$148,000. The statute of limitations has expired on that bill, and even though he said he would pay it, he may very well not. Nixon owed \$432,787 in back taxes as of May, 1975.
