

Herb Caen column:

Sly  
said, "At  
Lyndon in public.  
making a joke? Naaaaa,  
combination of the year, even the  
the pictorial evidence yesterday in my own  
newspaper: Frank Sinatra and a puka shell  
necklace.           ★   ★   ★

I ALSO just discovered that Mr. Nixon,  
the man who thinks we may need another  
war "to bring us together" (remember  
Vietnam?), was an uninvited guest at the  
Marine Corps' 200th birthday party at Camp  
Pendleton, where he took bows, pressed flesh  
and posed for bokoo photos. "He was not on  
the official guest list," confirms a Pendleton  
spokesman, "but he was wearing pancake  
makeup."           ★   ★   ★

WE ALL need editors, even Dianne  
She told Newsman Jerry Burns  
Fly Moscone "because  
in his thinking" and that
