No Nixon Role in GOP Nomination'

Columbia, S.C.

Former President Nixon will not be involved in the Republican party's selection of a presidential candidate in 1976, a former aide says.

Harry S. Dent, who worked for Mr. Nixon from 1968 until 1972, said the former president informed him of his plans last week. Dent said he and his wife visited Mr. Nixon at San Clemente for an hour and found Mr. Nixon in very good spirits.
