

Gurney Seeks Dismissal

Orlando, Fla., Dec. 5 (AP) - Former Senator Edward J. Gurney is seeking dismissal of Federal conspiracy and perjury charges against him on the grounds that the Government is not prepared to prosecute the case. In a motion filed yesterday in United States District Court, Mr. Gurney's attorney, C. Harris Dittmar, said the Government had failed to comply with an order by District Judge George C. Young to provide the defense with the names of the prosecution team by Nov. 28.
