

from Notes on People by Laurie Johnston

Preparing to mark his 63d birthday today, Richard M. Nixon is reported by Rabbi Baruch Korff as "quite confident" that there will be "a change in the assessment of the Nixon Administration, in view of all the revelations" concerning the Kennedy Administration "by comparison with what [Mr. Nixon] has done."

According to the Nixon fund-raiser and indefatigable relay of information from San Clemente, Calif., the birthday guests will include former White House aides.
