Gurney's Lawyers Delay His Retrial

ORLANDO, Fla., Feb. 19 (UPI)—Attorneys for former Sen. Edward J. Gurney (R-Fla.) have requested a full transcript of his 1975 influence-peddling trial, a move that will delay his retrial by as much as a year.

Defense attorneys decided this week to wait for a complete transcript of last summer's 5½-month trial in Tampa before proceeding with the retrial in Orlando.
