Gurney's Lawyers
Delay His Retrial
ORLANDO, Fla., Feb. 19
(UPI)—Attorneys for former
Sen. Edward J. Gurney (R-Fla.) have requested a full
transcript of his 1975 influence-peddling trial, a move
that will delay his retrial by
as much as a year.
Defense attorneys decided
this week to wait for a complete transcript of last summer's 5½-month trial in
Tampa before proceeding
with the retrial in Orlando.
