
Personalities

The Austrian-born resident of Switzerland went into hiding for a few days to avoid birthday well-wishers but left word with friends that he is in good health and feels a lot younger than 90.

WXPost MAR 2 1976

Joining his wife Nancy at Palm Springs, Calif., yesterday was Secretary of State Henry Kissinger, who had no official word about whether he would try to debrief Richard Nixon about China.

The Kissingers are staying at the home of actor Kirk Douglas. Nancy Kissinger is recuperating from stomach surgery.

It was the final curtain call for the Old Vic yesterday, as movers arrived to take away the last odds and ends from the Victorian building famous to playgoers the world over. National Theater now an elaborate new home. Bank of the moved further from an
