In New London, Conn., L.  
**Patrick Gray 3d**, who under-  
 went surgery last August to  
 correct an aneurysm (or  
 "blister") of the aorta, was  
 back in Lawrence Memorial  
 Hospital yesterday. The 69-  
 year-old former acting direc-  
 tor of the Federal Bureau of  
 Investigation is a Stonington  
 resident and a partner in a  
 New London-Groton law firm.  
 The hospital refused to dis-  
 cuss his condition.
