THE UNDERSIDE OF THE NIXON YEARS
J. ANTHONY LUKAS

"Irresistible... it deserves to be put on the shelf of one's library for being the most detailed and coherent account of Watergate written to date."¹

"An investigative masterwork."²

"Until the inevitable academician produces the inevitable four-volume treatise, Lukas's 626-page effort will stand as the definitive exposition of Nixon's decline and fall."³ \$15.00
