● A blockbuster of a book. The extraordinary inside story of the decline and fall of Richard Nixon . . . astonishingly detailed in its portrait of a despairing President going to pieces under remorseless public and legal pressures.

—John Barkham Reviews

Absolutely mesmerizing. —Robert Sherrill,

Chicago Sun-Times

#1 on day of publication

"Unprecedented," says The New York Times Book Review. "Veteran observers of the Best Seller List can recall no other book that had an instantaneous ascent to the top rung."

An extraordinary work. And what matters almost as much as the sensational revelations is the wealth of tinier details and nuances. It is not only deeply moving, it acts as a long-overdue catharsis as well. —Christopher Lehmann-Haupt,
The New York Times

Nearly intoxicating in its fascination. Only the most flinty of readers could finish this book without feeling pity for this curious President who engineered his own destruction.

—Peter S. Prescott,
Newsweek

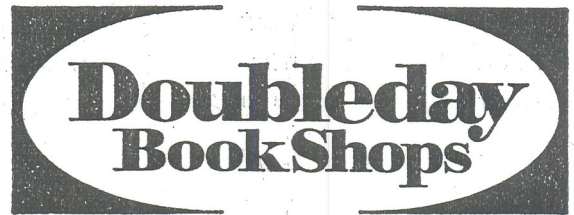

A spectacular piece of reporting . . . compelling, absorbing.

—Richard Reeves,
The New York Times
Book Review

Nixon the man seems human for the first time. —Clarence E. Olson,
St. Louis Post-Dispatch

Fascinating stuff! Fascinating, macabre, mordant, melancholy, frightening. —Phil Kerby,
Los Angeles Times
