transcribed from tape

[First part of item missed.]

Nixon [voice]: I have learned over many years of observing this kind of situation in other people that as important as the physical condition, even more important is the mental condition. And my wife is one who [remainder as in CBS tape, 2 p.m., above].

Announcer: Mr. Nixon says his wife's spirit, along with the excellent medical treatment she's getting, could lead to a complete recovery.
