<p>Mrs. Nixon Moved to Room With View of Pacific Ocean</p>	<p>need therapy to regain full use of her left arm and leg.</p>
<p>LONG BEACH, Calif., July 11 (UPI)—Pat Nixon, listed in stable but serious condition, has been moved to a room with a view of the Pacific Ocean to further help improve her spirits, a hospital spokesman said today.</p>	<p>Dr. John Lungren, the Nixon family physician, confirmed that Mrs. Nixon had passed the crisis stage.</p>
<p>Former President Richard M. Nixon, carrying a white geranium and a packet of cards and letters, said after he visited her that she was "passing through the crisis" but would</p>	<p>"She's progressing very nicely, but she's still in serious condition," he said.</p> <p>Mrs. Nixon has been hospitalized since Thursday after a stroke suffered at her San Clemente home Wednesday. She has been listed in serious condition since her arrival.</p> <p>GIVE REAL GRASS SUPPORT THE FRESH AIR FUND</p>
