

At Last, The Other Side of the Watergate Story!

NYTimes

SEP 28 1976

Read at one sitting the shocking but true documentation of how Richard M. Nixon was hounded from office by the viciously prejudicial "reporting" of the national news media.

I am pleased that somebody had the guts to stand up against the shark pack in the American media.
— Dr. Victor Strandberg
Professor of English,
Duke University

The author, Franklin B. Smith, is a veteran newspaperman and nine-time winner of Freedoms Foundation Awards

The Assassination of President Nixon is easy reading and presents exceptionally well the other side of the story.

—Hon. George D. Aiken
Former Dean of the U.S. Senate

Smith's book makes a reader reassess his opinions and helps him put the Watergate affair in perspective . . . It calls a spade a spade.

—Terry L. Ziegler
Editor of *Grit*

This book is a great service to this country and I salute Smith with greatest admiration.

—Hon. Deane C. Davis
Former Governor of Vermont

Smith's book is in the very best tradition of objective, thoughtful, hard-headed journalism, and many more citizens should read it than will.

—Prof. Richard E. Langford
DeLand (Fla.) Sun News

A truly great publication . . . a masterpiece of editorialism.

—Dr. C. Bader Brouillette
President, Champlain College

Splendid, moving, convincing book.

—Clinton T. Andrews Jr.
Managing Editor,
Anchorage Times

Smith's words ring true because his message is an honest one—not a question of guilt or innocence, but one of perspective and humanity.

—Dr. Frank M. Bryan
Head, Department of
Political Science
Montana State University

Smith's little book is well worth the reading.

—Walter Cress
New Hampshire Sunday News
