

“The most powerful and consequential book about Watergate that has yet been written...”

It is the judgment that has never been rendered against Richard Nixon in a court of law and it is rendered by a man of the law whose probity cannot be questioned. It won't be the last word on Watergate but it deserves to be.” —MARY MCGRORY, *Washington Star*

“The book's explosive contents are flawlessly presented, unambiguously damning, and leave, it seems to me, no room for further argument.”

—JANE CLAPPERTON, *Cosmopolitan*

“Jaworski's revelations are the most gripping, detailed account of the entire sordid Watergate drama.”

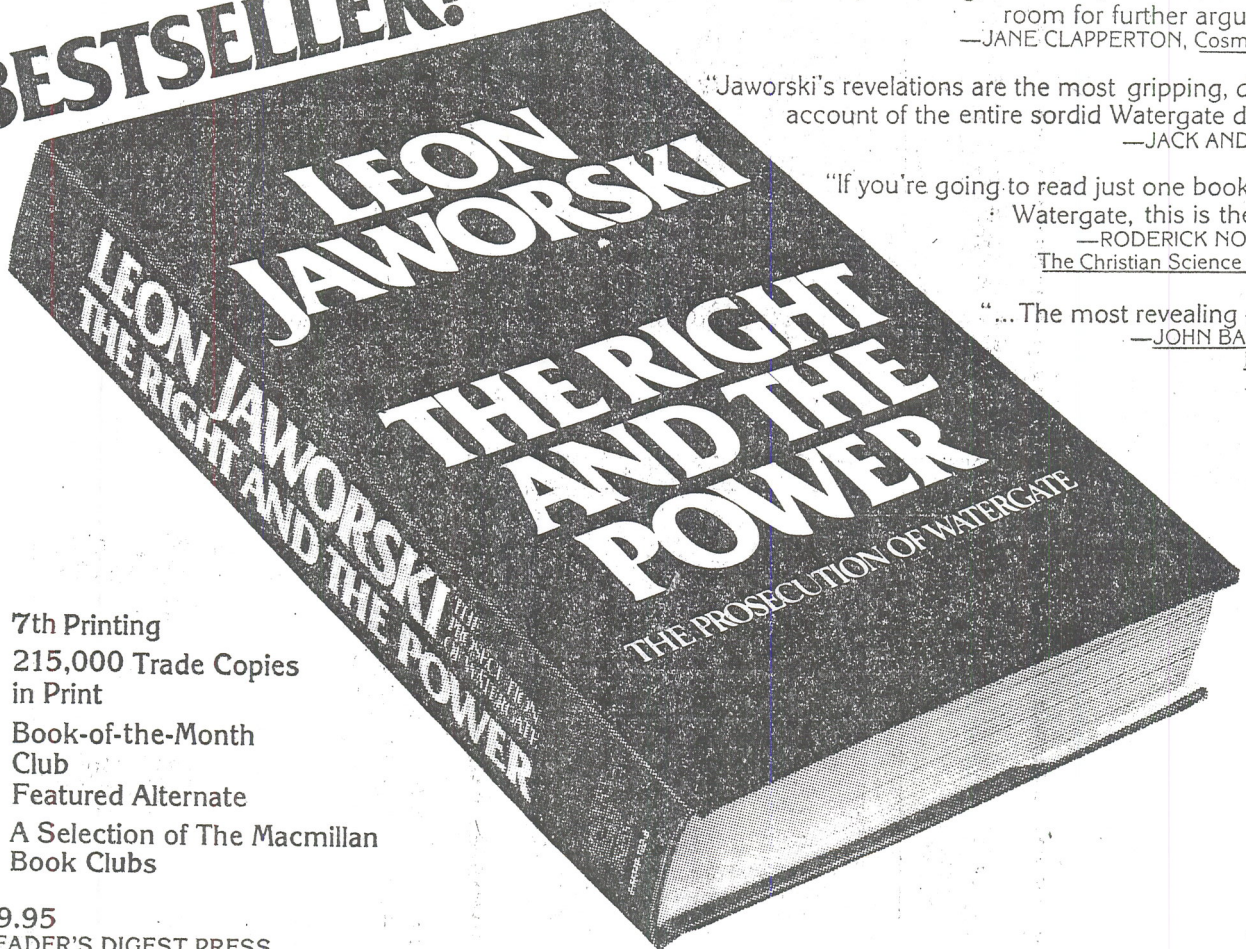

—JACK ANDERSON

“If you're going to read just one book about Watergate, this is the one.”

—RODERICK NORDELL, *The Christian Science Monitor*

“... The most revealing of all.”
—JOHN BARKHAM
