## Seamen Back Bridges

SAN FRANCISCO. — A check of donations which have been sent the second Harry Bridges Berens fund since Feb. 1 from the crews of ships shows that seamen are 100% behind Harry Bridges' fight against unjust deportation.

The following are totals received from February 1 to April

## Merchants Aid Defense

SAN FRANCISCO.—Down on the waterfront here the boys are aiding in the defense of Harry Bridges by soliciting contributions from merchants.

Those who give to the Bridges defense committee receive house cards reading:

"Defend Bridges—defend labor. This firm is contributing to the second Harry Bridges defense fund."

One merchant has contributed \$100 and other businessmen's donations range from \$1 to \$25.
