

Youth Ask End Of Dies Probe

People's World 11/6/39
NEW YORK, Nov. 5 (ICN)—De-
nouncing the Dies Committee for
"provoking war hysteria with
witch-hunting methods" the Na-
tional Assembly of the American
Youth Congress called yesterday
upon its thousands of members to
circulate a petition, drawn up by
the assembly, throughout the na-
tion's schools and YMCA's, calling
upon Congress to disband the in-
quisition committee as a threat
to democracy. *PW 11/6/39*
