(3) Nature and extent of industrial work.

(4) Lucretive profits of agency and meager pay to

informants.

Further examination of the Agency will bring out:

espionage,

Committee.

(1) Further development of nature and extent of labor

(2) Failure of agency to furnish material requested by

(5) The shattered "high ethical standard" of the agency.

(4) The trading of labor information to employers.

(5) Deceptive methods used by a Superintendent in dealing with informants.

(6) Perjury on the part of a Superintendent.

The witnesses will be:

Nobert A. Pinkarkan, Fresident of Agendy
Ashar Lessahian, General Managar
C.R. Less, Rupt. Pittsburgh office
E.M. Bund, Asst. Supt. Detroit office
E.M. Bund, Asst. Supt. Philadelphis office
P.L. Aball, New York Gity
Band, Mastr. Supt. Cinsinnati office
Joseph Lilifeichn, Supt. Atlants office
Int. Supt. former Finkerton amployee, Charlestown, Nest Ya.
Int. Esister, Supter Finkerton Asst. Supt. nov in Chicago, Ili.
Rr. Zeisler, Susiness Agent for Brotherhood of Reilway Clarks, Ularimeti, Ohio.

The first five witnesses will develop further the agency's labor activities and identify material for record.

# <u>C.M. Bead</u> - Pittsmurgh Superintendent He will be called upon to explain: (a) Why the

operatives reported on the activities of John Lewis, and the C.I.O. in the steel industry. Excerpts of reports on such activities will be read aloud; (b) A report about a worknes' petition for a meeting and the attendance of this meeting by the operative; (c) A report in which operative suggests the elimination of a worker who favored organisation. THE 15 Min.

<u>Role.</u> <u>Burnaide</u> - Asst. Supt. Detroit (Alias R.L. Brunswick)

(Allas K.". Brunswick) This witness buys information from informants and will be questioned about these contacts. <sup>2</sup>e will also be asked to explain two Journels handled by him which sall for the investigation of Irregularities and Thefts, but operative reports on these operations describe union activities, a sirile, pisketing, and one of these contains a suggestion by operative to eliminate three strike leaders in order to effect a settlement with workers.

Excerpts of reports will be read aloud.

Operative reports and receipts from informants will be offered as exhibits. THE 15 Min.

## <u>G. G. Hunt</u> - A set. Supt. Philadelphis This witness will be questioned on the union activities of the informants from whom he buys information. He will be asked to explain sky operatives reported on the G.I.P. organisational activities and the radio talks of Steel Workers Organizational Committee organizars.

Excerpts of reports will be read aloud.

Operative reports and receipts from informants will be offered as exhibits. TIME 15 Min.

<u>F.L. Abell</u> - New York City (alias F.L. Adams) Contacts informatis and pays them. This witness will tell: (a) New he makes contacts with new informants; (b) Why operatives reported on union activities in Pennsylvania Reilroad; (c) Why operatives reported on agitators and organisational activities of workers when operation called for suspected thefts which were not mantioned at all in reports.

Excerpts of reports will be read aloud.

Operative reports and receipts from informants will be offered as exhibits. TIME 15 Min.

The next witnesses will bet

Robert A . Finkerton-President of Agensy Asher Rossetter------General Manager

As in the September hearing, these two witnesses will be examined jointly so that either may answer questions put to them. They will first be called upon to account for the failure to furnish material requested by the Committee.

The witnesses will then be gassiloned intensively about the instructions given to operatives to discontinue writing reports at the time of the service of the subpens. After this a signed statement by operative <u>Reports</u> of San Francisco will be read to show that he submitted reports regularly since the service of the subpense. This statement will also show that reports are being "socked". (Difficulty with statement) Investigator promised not to expose him). A sample report dated November 1, 1985, with the operative's secret designation will be offered for record.

The witnesses will then be questioned about the policy of the agency as cauncisted in the Order Book. Parts of this material will be read and questions propounded to break down the high othical standard the agency claims to have. The following points will be raised on this material: (a) Instructions on how to oversome United States Law forbidding officials to hire agency service. Canvassing reports from St. Louis will be offered to show wide contacts with government officials); (b) igoncy's unfavorable attitude toward the Estimate Labor Relations Ast; (c) All labor matters are referred to as "Communistic Activities " in a letter by Resetter; (d) Main office may permit deviations from agency rules. This multifies principles laid down in Order Book; (c) An Estibit of Lake Eric Chantel Company indicates Agency used Dietograph which is contrary to claim in Order Book; (f) Investigated a marital relations ease, which is contrary to rule in Order Book. Journal, brief eard and receipts evailable as evidence. The witnesses will also be questioned about the use of gas explosives by Agency. An Exhibit of Lake Eric Chemical Company indicates Agency bought gas explosives. <u>TIME One Hour</u> (Tentatively)

The next witness will be:

<u>San H. Brndy</u> - Supt. of Cincinnati (alias Bradley) Voluminous correspondence between Brady and two men when he booked in 1980-31 will tell the story of his activities as a "hocker". This material will show: (a) That he pretended to be gathering labor information for a socialogical organization headed by prominent eitisons; (b) He advised operatives to obtain material on their union, strikes, and teld them that labor trouble was good for business; (c) He used compulsion on "hocked" men to broaden acquaintences and pump friends. (Brady does not know we possess this material).

He will be questioned so as to afford him every opportunity to lie.

Then the following witness will be called to prove Brady was lying:

Er. Zeisler - Business Agent for Brotherbood of Beilesse Clerks, Cinsinnati, Ohle

(Brady and Zeigler may be examined jointly)of this four Seigler will testify that he secured the correspondence from Brady's two informatic, Jones and Brulard. (These two men have not yet been losated). He will identify the letters, many of which will be read aloud, and questions about their contents will be directed to Brady. All correspondence will be offered for the ready.

Zeigler will be excused and Brady will be further examined on the following:

Brady will be confronted with several of his convacting reports which show that he urged employers to hire agency's service for the purpose of apping on workers. A number of reports will be read aloud.

A Detroit Journel for General Motors and ressipts from the operative on this operation will form the basis for questioning Brady about agenay's activities for this concern. THE for Brady and Zeigler One Hour

## Joseph Littlejohn - Supt., Atlanta

-5-

This witness testified in previous hearing. He will now identify and tell about the activities of the operatives registered with the police department in Atlanta, and asked to explain why five operatives, now employed in the Atlanta office, were not registered with the police as required by the city ordinance.

In the last hearing he testified that only one operative was a member of a union. He will be confronted by three names of operatives who are members of a union. (Letteer's statement).

Littlejchn will then be questioned about his activities as an under-cover man in a street car union in Nobile, Alabama. <u>TIME 10 Min.</u> (Tentatively)

L.L. Letter - Former Pinkerton Asst. Supt. of Atlanke He testified in the September hearing and is a friendly witness. He will be called again to fill in the gaps of this story as well as to give new facts. Letteer will be questioned to bring out: (a) The number of operatives that were members of a union in Atlanta; (b) The elients he served which involved reporting union activity; (c) The number of workers dismissed because of union activity; (d) The effect of Pinkerton labor spying on the unions; (e) The strikepbreaking activities of the agency; (f) The influence of the agency on the families of strikers.

The list of present and ex emparatives of the itlants office recently received from him will be used to refresh his memory on the activities of some operatives. TIME 10 Min.

### L.T. Carr - Bowie, Maryland

This man is an ex-employee of Finkerton. He worked as a guard and secret operative from 1918 to 1988. This witness will be questioned to bring out the points given in his unsigned statement which are: (a) He was a member of a union and Finkerton reimbursed his union expenses; (b) He was an operative in the Dry Book Strike and in the anticipabed strike of Pampylvania Railread in 1981and 1982; (c) Workers were discharged on his recommendation; (d) He did divorce work for Pinkerton; (e) He was furnished with erms while not deputized.

The stemographic report is to be taken back to Carr for his signature. At present Carr is in Charlestown, West Virginia. It is likely that he has changed his mind about signing the statement. He is a valuable witness and should be immediately contacted for his signature and asked to serve as a witness. Should Carr become hostile to the Committee, he would neverthe-less be a valuable witness. <u>TIME TO Min.</u>

The hearing will then elese with the presentation for the record of the following exhibits:

\_\_\_\_\_

- (1) A Summary Table of information from journals, ledger sheets, and operative reports.
- (2) Convessing Reports.
- (5) An additional list of Pinkerton clients.
- (4) A list of Pinkerton employees including searet operatives,

## Possible Mitnessest

÷ ...

Lattear's List of Atlanta Operatives Many important witnesses may yet some from the leads furmished by L.L. Lettesr. The list contains names and addresses of employees and an-employees of the Finkerton Atlanta office, some of which are manhers of a union. A report on these leads from the Atlanta investigator is being anxiously avaited.

An eperative of the Cincinneti office who reported on the Closure plant and miggested the "elimination" of three strike leaders in order to effect a settlement with strikers.

Richard Neal No testified in the Eagle Picher case that two Pinkerton men prompted him to essist in steeling dymamite.
