THE DAY KENNEDY WAS SHOT

An uncensored minute-by-minute account of November 22, 1963

Four years of research. 16,500,000 words read. 300 individuals interviewed (including the Johnsons). These are the ingredients for the most definitive account of the tragic day in Texas. It could only have been written by Jim Bishop, author of *The Day Lincoln Was Shot* and *The Day Christ Died*.
