

# **RUSH TO JUDGMENT** by Mark Lane was published one year ago.

**RUSH TO JUDGMENT** was responsible for re-opening the American debate on the question of the assassination of President Kennedy.

Following the publication of **RUSH TO JUDGMENT**, public opinion polls revealed that two-thirds of the American people rejected the conclusions of the Warren Commission.

The District Attorney of New Orleans has said that **RUSH TO JUDGMENT** played a major part in his decision to conduct the current investigation.

**RUSH TO JUDGMENT** has withstood the assaults of both official and volunteer defenders of the Warren Commission's Report. **RUSH TO JUDGMENT** remains the one unchallengeable indictment of the official version of the facts.

On this first anniversary of the publication of **RUSH TO JUDGMENT**, Holt, Rinehart and Winston would like to thank the American people for making this book the #1 best seller during the past year. We congratulate Mark Lane for having written a book that so profoundly and directly affected the course of contemporary history.
