

Los Angeles Free Press

The documented testimony of the single conspiracy that murdered President Kennedy, Rev. King, Sen. R.F. Kennedy, Lee Oswald and Jack Ruby.

For the first time, see and read how the Dallas police manufactured the "brown paper bag". See the actual "arrest charge sheet" revealing that Oswald had no gun when captured; see and read Mr. Hoover's testimony stating Oswald was innocent. Read the secret service testimony that Oswald was innocent.

Read why and how the President's automobile was led into the "double detour." See actual photographs of the four rifles used by the Commission to "convict" Oswald, the actual FBI sketch of Rev. King's killer who was the identical man captured by the Dallas police on Nov. 22, 1963, and then mysteriously released.

"TWO DAYS OF INFAMY" has 200 pages of documented testimony, photographs, affidavits and surveys which reveal the deceit, the duplicity, and the deception practiced by the Warren Commission who admitted that a conspiracy murdered President Kennedy!

"TWO DAYS OF INFAMY" is the only book revealing the three attempts upon the president's life in the Parkland Hospital - the only book that reveals the testimony of the two Navy physicians that a conspiracy murdered President Kennedy - the only book that discusses, analyzes and comments upon the trial of Oswald, Clay Shaw, and Sirhan Sirhan.

"TWO DAYS OF INFAMY" now available at the bookstores with courage (Free Press Bookstores) to enable the public to know the truth. \$2.95 pb.; \$4.95 cloth.
