## V FITZGERALD KI ELM ST. • J. ED WARREN • GAF FRAL INTELLIGEN

At last...the original English text of the book that all Europe is talking about!

Farewell America is first of all a specific accusation against the real assassins of the Kennedys.

Farewell America is also a revelation of the political, social and economic forces which will always try to prevent men of the stamp of John and Robert Kennedy from leading, or even from living.

, the daily with the largest circulation in Germany: Farewell America "is as explosive as a bomb."

L'EXPRESS the foremost news magazine in France: Farewell America "is the hope of one America against another... a profession of faith in the mission of America and her youth...the most violent indictment ever written by a man about his country, out of love for that country."
