Car at rifle range 1940 or 1941 Ford (R, 319/2.)

Robert Alan Surrey /testifying on Walker shooting/: " ... he
is the boy that reported seeing several automobiles at the
time of the assassination." (He must mean attempt on Walker.)

Jenner: "That is immaterial to this issue."

V, 448, testimony, June 16, 1964

Walker: "I still think that the information that Kirk
Coleman gave is very relevant to this case, and I would like to
say as far as I am concerned, our efforts are practically
blocked. I would like to see at least a capability of my
counsel being able to talk to these witnesses freely and that
you or the FBI give a release on them with respect to being
able to discuss it as it involves me. The word we got is,
the boy has been told not to say anything. I was
told ... that he has been advised and wasn't talking, and that
he had been advised not to talk."
