... is on the senator to answer them, Arena said.

INSERT #1

In response to questions, Arena said Kennedy's suit, when he came to report the accident, was "freshly pressed". Kennedy reported he dove repeatedly into the water in attempts to rescue Miss Kopechne.

An oil delivery man in Edgartown provided ...

... have put the time of the accident as late as 1 a.m.

INSERT #2

A medical examiner said today a blood analysis performed on the body of Miss Kopechne, disclosed a trace of alcohol.

But Dr. Donald R. Mills said the amount was "insignificant .. such as might show in a person who had had a couple of cocktails."

Police here were expecting today to receive ...
