Washington

Senator and Mrs. Edward M. Kennedy paid 48 per cent of their 1973 gross income in federal income taxes, they disclosed yesterday.

his wife's joint return which listed federal tax of \$217,844 on adjusted gross income of \$451,683.

In addition to his \$42,500 disclosed yesterday.

Kennedy (Dem - Mass.)

released to reporters his and

Kennedy (Dem - Mass.)

salary as a senator, Kennedy listed \$3355 in "literary and miscellaneous income,"

\$21,667 from dividends and \$397,377 from other income.

Of that latter figure, \$396,337 came from two trust funds, set up in 1926 and 1936 by his father, the late Jo-seph P. Kennedy.
