

NEW YORK — Dist. Atty. Richard Kuh said yesterday he expects Jacqueline Onassis to prosecute a 20-year-old man on a charge of stealing a bicycle from her son John F. Kennedy Jr.

"She is in Greece," he said in a telephone interview. "I have no reason to believe she and her son won't cooperate. I believe they will do their duty as citizens."

Kuh added that he was "in contact with Mrs. Onassis."

The 13-year-old Kennedy was robbed of a 10-speed bike and a tennis racket by a man who accosted him in Central Park last May 15.
