tations, and also in the size and quality of the same photographs.

The word "book" is defined by the U.S. Copyright office as—"The term 'books', covers not only material published in book form, but also pamphlets, leaflets, cards and single pages containing text."

Group 1 is comprised of books of which the text is entirely, or partially, directly related to the assassination of President John F. Kennedy.

Group 2 is comprised of books indirectly related to the assassination of President John F. Kennedy; background material, references, etc.

Group 3 is comprised of books which are written as novels or plays based on the assassination of President John F. Kennedy.

Group 4 is comprised of gramophone records, films, tape recordings, transcripts of broadcasts, and references to broadcast programs relating to the assassination of President John F. Kennedy.

Group 5 is comprised of books that were scheduled and advertised and later cancelled; unfinished manuscripts and literature of which I have not obtained complete data; on the assassination of President John F. Kennedy.

Group 6 is an alphabetical list of authors of books with the reference numbers of their entries in Group 1.
