

Gen. Walker Suits Dismissed

WILWAUKEE, March 20 (AP) —Federal District Judge Robert E. Tehan dismissed Wednesday two libel suits in which former Maj. Gen. Edwin A. Walker sought more than \$4-million damages from The Milwaukee Journal. General Walker had charged that libelous statements had been published about him in articles describing disturbances at Oxford, Miss., involving the admission of James H. Meredith, a Negro, to the University of Mississippi.
