Washington, D.C. 20005

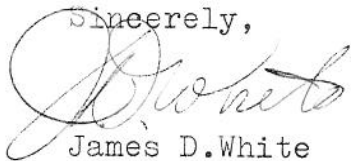

Dear Mr. Fensterwald:

Hal Verb recently showed me some materials provided by your office, and I write to ask that if they are still available please send one copy each and bill me for any cost and postage involved. As nearly as I can describe them, they are:

1. Report of Drs. Carnes, Fisher, Morgan and Moritz on the JFK autopsy photographs and X-rays, dated April 9, March 20 and April 6, 1968.
2. Summary of pleadings introduced by Jim Garrison Jan. 31, 1969 in the Washington, D.C. Court of General Sessions, in a continuing effort to obtain the JFK Autopsy photos and X-rays.
3. Chronology and summary of attempts to obtain photos and X-rays of the JFK autopsy.
4. D.C. General Sessions Court proceedings, Feb. 14, 1969.
5. D.C. General Sessions Court proceedings, Feb. 17, 1969.

Should you have any further materials of comparable importance and historic value, I should like very much to be kept informed.

Sincerely,

James D. White  
35 Castle Rock Drive  
Mill Valley, Calif. 94941

enclosed is much material we are pleased to send - No charge, but if you would like to make a contribution to the Committee ... anything from \$1 to \$1000 ... we would be most grateful - Unfortunately we are a "do it yourself" group at the moment.  
Best regards  
B. Fensterwald
