Dear Mr. White:

Your letter of July 6th requesting a tape or transcript of the James Garrison meeting at the Center has been forwarded to me.

The meeting on November 16, 1967, was recorded and later transcribed. If you will get and forward to us written permission from Mr. Garrison to release them, we shall be happy to make copies for you.

We charge \$7.50 per hour for dubs. As I recall, this meeting lasted about two hours. The cost of having a xeroxed copy of the transcript made would probably be around \$5.00. Please bear in mind that this would be an uncorrected unproofed transcript.

We shall await, then, Mr. Garrison's permission.

With best wishes,

Florence D. Mischel
Director, Audio Tape Program
