

THE \$21.45 ITALIAN-MADE RIFLE USED IN KILLING

Oswald's Armory

After checking and cross-checking the evidence, the Warren Commission found that the rifle (above), an Italian-made Mannlicher-Carcano 6.5 mm, was used to kill President Kennedy and was owned and possessed by Lee Harvey Oswald. The pistol (right), the report said, was used by Oswald to kill policeman J. D. Tippit when he attempted to arrest Oswald in a Dallas movie
