Oilman Seeking Oswald Weapons

A Denver oilman has officially against the Justice Department claimed ownership of weapons seeking to gain possession of the used to assassinate President John
F. Kennedy and kill Dallas po-

day under terms of an advertise-guns. Under terms of the con-Service, wire services reported.

that anyone claiming the weapons must file a claim and a \$250 cost high-powered Italian rifle used to bond before Sept. 17.

Mr. King said that Oswald's liceman J. D. Tippit.

John J. King, president of Cortez Oil Co., filed the claim Friday under terms of an advertise ment by the Internal Revenue tract, he has paid Mrs. Porter \$10,000 with another \$35,000 to be The IRS advertised last month paid when the guns are delivered.

The guns in question are the FILES SUIT

Last May, Mr. King filed suit in U.S. District Court at Denver used to kill Patrolman Tippit in kill President Kennedy and wound Oak Cliff shortly after the assassination.

U.S. POSSESSION

The weapons have been in the possession of the federal government since Oswald was arrested that Friday afternoon.

The government has obtained two postponements in the suit filed by Mr. King. Justice De-partment attorneys are presently required to file an answer by

The wealthy oilman is reportedly an avid gun collector. He has been quoted as saying he would like to donate the rifle to a mu-
