DALLAS OUT

NIGHT LEAD RUBY (230)

DALLAS, DEC. 30 (AP)-DR. ROY SCHAFFER OF YALE UNIVERSITY SPENT SEVERAL HOURS TODAY TESTING JACK RUBY, WHO KILLED THE MAN ACCUSED OF ASSASSINATING PRESIDENT JOHN F. KENNEDY.

THE PSYCHOLOGIST SAID HE WOULD VISIT RUBY TOMORROW AND THE TOTAL TIME OF ALL TESTS WOULD BE FIVE HOURS.

DR. SCHAFFER, 41, SAID HE WAS CONDUCTING THE TESTS FOR DR. MANFRED GUTTMACHER, CHIEF MEDICAL OFFICER OF A BALTIMORE COURT.

DR. GUTTMACHER HAS BEEN RETAINED AS CHIEF PSYCHIATRIST FOR THE DEFENSE IN THE TRIAL NOW SCHEDULED TO BEGIN FEB. 3. A DELAY IS EXPECTED.

DR. SCHAFFER SAID THE TESTS BEING GIVEN RUBY ARE THOSE COMMONLY USED TO STUDY PEOPLE'S MINDS. HE SAID THEY MAY ALSO SHOW PERSONALITY AND THINKING TRAITS.

IT WAS KNOWN THAT HE CONDUCTED A RORSCHACH TEST, THE TIMES HERALD SAID. THIS TEST USES INK SPOTS TO GIVE PSYCHOLOGISTS AN INSIGHT INTO THE PERSONALITY OF A PATIENT.

DR. SCHAFFER, DECLINING TO GO INTO DETAILS, SAID, "I CONSIDER THIS A PRIVATE CONSULTATION WITH A PATIENT AND WE NEVER TALK ABOUT OUR FINDINGS."

RUBY KILLED LEE HARVEY OSWALD NOV. 24, TWO DAYS AFTER PRESIDENT KENNEDY WAS ASSASSINATED. POLICE CHARGED OSWALD WITH KILLING THE PRESIDENT. RUBY SHOT OSWALD IN VIEW OF OFFICERS, REPORTERS AND A NATIONWIDE TELEVISION AUDIENCE.

RUBY ALSO HAS BEEN EXAMINED BY DR. WALTER BROMBERG, CLINICAL DIRECTOR OF NEW YORK'S PINWOOD PSYCHIATRIC HOSPITAL.

THE STATE HAS RETAINED DR. JOHN T. HOLBROOK, A DALLAS PSYCHIATRIST, TO INTERVIEW RUBY.

THE DEFENSE IS EXPECTED TO CLAIM THAT RUBY WAS TEMPORARILY INSANE WHEN HE SHOT OSWALD.
