Dallas, March 6 (AP)- Jack Ruby, frequently bowing his head and closing his eyes, saw the motionpicture today which shows him jamming a gun against Lee Harvey <sup>O</sup>swald's side and pulling the trigger.

....When testimony was resumed, Capt. Glen King of the Dallas Police Department testified that Ruby said, moments after he shot Oswald and was himself arrested:

"You didn't think I was going to let him get by with it, did you?"

....But King said he did not hear a remark attributed to Ruby by another police officer yesterday which was:

"Somebody had to do it. Somebody had to take care of it You guys couldn't do it."

Under cross-examination, King several times denied hearing this. He said that he himself said to Ruby before Ruby was taken to the fifth floor of the jail:

"You dirty scum, you're the scum of the earth."

King also denied that he heard Ruby say, "I hope the son of a bitch dies." Dallas policemen had quoted Ruby as saying this also.

Assistant defense attorney Joe Tonahill asked King if he knew of phone calls to the police department on the Saturday night before Oswald was killed, saying, "Oswald will never live to reach the county jail."

Capt. King said he did not know this of his own knowledge.

Tonahill then asked if he knew of "death threats against Oswald by members of the public and police officers themselves."

King replied that he had no first-hand knowledge of these, either.
