

42d Anniversary at F.B.I. A Routine Day for Hoover

WASHINGTON, May 10 (AP) — J. Edgar Hoover quietly observed Tuesday his 42d year as director of the Federal Bureau of Investigation.

A spokesman said the 71-year-old director paid no attention to the anniversary, as usual, conducting a routine day's work in his office.

Mr. Hoover declined all requests for interviews, the spokesman said, and told aides he wanted "it to be just another day."
