

### Choosing F.B.I. Director

To the Editor:

Until J. Edgar Hoover made his recent remarks concerning several Attorneys General, I had no idea the position of Director of the Federal Bureau of Investigation was a political one.

Since the Nixon Administration has campaigned actively in the past for "the people's choice" in such areas as news broadcasting, it should now move as aggressively for the electorate's choice in the office of Director of the F.B.I.
