

From Herb Caen column:

... KSFO News Director Chet Casselman, ad libbing on the air yesterday morn after the unexpected newflash that J. Edgar Hoover was dead: "It just caught us—ah—flatfooted." KCBS, on the other hand, had a long and informative pre-taped obituary ready to go from CBS, filled with such remarkable quotes from Hoover as "Justice is incidental to law and order." A man and a remark to remember.
