SUG RECHECK BOSWELL'S STATEMENTS IN A15 2ND ADD AUTOPSY. WE QUOTE HIM IN FIRST GRAF SAYING ABSOLUTELY NO DOUBT IN HIS MIND NOW ABOUT SINGLE BULLET THEORY, AND IN 4TH GRAF AS SAYING HE AND HUMES HAVE CONCLUDED AUTOPSY PHOTOS CANNOT PROVE THE SINGLE BULLET THEORY. WHILE TWO STAMS NOT MUTUALLY EXCLUSIVE, THEY CONVERGE ON MAIN POINT OF MOST CRITICS THAT IF TWO DIFFERENT BULLETS HIT KENNEDY AND CONNALLY THERE WASN'T ENOUGH TIME FOR ONE GUNMAN TO FIRE THEM AND THEREFORE THERE MUSTA BEEN TWO RIFLES IN OPERATION.

YR 1106PPS, BOSWELL AND HUMES BASE THEIR ONE-BULLET CONCLUSION ON NUMBER OF PIECES OF EVIDENCE THAT CAN'T BE PROVED BY THE PHOTOGRAPHS ALONE. SOME OF THIS EVIDENCE INVOLVES SUCH THINGS AS THE POSITION OF GOV. CONNALLY, WHICH OBVIOUSLY DOESN'T SHOW ON KENNEDY AUTOPSY PHOTOS. THERE'S OTHER SUCH EVIDENCE GIVEN AT LENGTH IN COMMISSION HEARING BUT UNTHINK NECCY TO GO INTO AND UNTHINK ANY CONTRADICTION INVOLVED.
