ASSOCIATED PRESS WRITER

WASHINGTON, MARCH 30 (AP)-THE WARREN COMMISSION QUESTIONED TWO DOCTORS AT LENGTH TODAY ON THEIR EFFORTS TO SAVE THE LIFE OF PRESIDENT JOHN F. KENNEDY AFTER HE WAS SHOT LAST NOV. 22.

TOMORROW THE COMMISSION GATHERING FACTS ABOUT THE ASSASSINATION HAS CALLED IN FIREARMS AND BALLISTICS EXPERTS.

THE TWO DOCTORS WERE AT PARKLAND HOSPITAL IN DALLAS WHERE KENNEDY WAS RUSHED AFTER A SNIPER'S BULLETS WOUNDED HIM FATALLY.

THEY WERE DR. CHARLES J. CARRICO, 28, AND DR. MALCOLM O. PERRY, 34. THE COMMISSION TOOK THE REPORTS THAT THEY MAKE FOR ANY PATIENT IN THE HOSPITAL, THE PHYSICIANS TOLD NEWSMEN AFTER GIVING CLOSED-DOOR TESTIMONY FOR THREE HOURS.

REPORTS OF THE SEVEN DOCTORS WHO ATTENDED KENNEDY AT THE HOSPITAL ALREADY HAVE BEEN PUBLISHED IN THE TEXAS STATE JOURNAL OF MEDICINE. THEY SAID KENNEDY HAD A FAINT HEART BEAT WHEN HE WAS BROUGHT TO THE EMERGENCY ROOM BUT HIS WOUNDS WERE TOO GREAT FOR SURVIVAL.

WITNESSES FOR TOMORROW ARE ROBERT A. FRAZIER, A FIREARMS IDENTIFICATION EXPERT OF THE FBI; AND RONALD SIMMONS, A BALLISTICS EXPERT FROM FT. MEADE, MD.

THE COMMISSION PLANS TO TAKE FURTHER TESTIMONY THIS WEEK FROM EXPERTS IN CRIMINAL DETECTION.

THE ANNOUNCED LIST OF WITNESSES INCLUDES FOR WEDNESDAY, CORTLAND B. CUNNINGHAM, FBI EXPERT IN WEAPONS EVALUATION; AND JOSEPH D. NICOL, SUPERINTENDENT OF THE BUREAU OF CRIMINAL IDENTIFICATION AND INVESTIGATION, ILLINOIS DEPARTMENT OF PUBLIC SAFETY; THURSDAY, SEBASTIAN LATONA, CHIEF OF THE LATENT FINGERPRINT DIVISION OF THE FBI; AND LT. JOSEPH MOONEY AND DETECTIVE ARTHUR MANDELLA, FINGERPRINT EXPERTS OF THE NEW YORK POLICE; FRIDAY, PAUL STOMBAUGH, FBI EXPERT ON HAIRS AND FIBERS AND JAMES C. CADIGAN, FBI EXPERT ON QUESTIONED DOCUMENTS.
